

- (1) Note that our "Current Term" continues until the first day of the next term (even when the "last day" of classes occurs earlier). The first day of the next term is the same as the first day of classes, with the exception of Fall term.
- (2) Note that Fall term always begins one week prior to the first day of Fall classes.
- (3) Note that our "Enrollment Term" begins the day after the census date for the previous term (regardless of when the first day of enrollment is for this term).
